

FRIDAY, NOVEMBER 7th SCHEDULE

NEW THIS YEAR — Friday Night Recreational & Team Event Competitions!

For the first time ever, we’re offering a **special Friday evening competition** exclusively for our **younger recreational students** (Ranks: White through 1st-Degree Recommended).

We *highly recommend* that all **recreational** competitors ages **10 & under** attend this special Friday event. This night will be completely focused on our recreational divisions, allowing us to give these students the attention, guidance, and an experience to remember!

All judges and assistants will be dedicated to this event, creating a smooth, encouraging, and exciting evening designed specifically for our younger athletes.

If a student absolutely cannot attend on Friday, we will make every effort to place them in a corresponding recreational division on Saturday. However, space will be limited, and Friday night is where the full experience has been created — so please plan for your 10 & under recreational competitors to compete Friday whenever possible. If you cannot compete on Friday evening, you may use the same arrival times as your Champion division counterparts on Saturday. You will be placed in a **recreational** ring. Please let your instructor know if you plan on competing in the recreational division on Saturday.
